

Blood Donation Camp

A Mega Blood Donation Camp has been organised by Rotary Club Of Ambarnath in association with Students and staff of RCT' PMM Rotary School and Junior College on 2nd September, 2023 from 10:00 am to 3:00 pm at RCT's PMM Rotary School and Junior College, Ambarnath.

This camp will help the children suffering from Thallesemia, who need to undergo blood transfusion 3 to 4 times in a month to live a normal life.

The objective of involving our students of PMM Rotary School and Junior College in organising this camp is to make them understand their social responsibilities and teach them few important life skills like Empathy, Teamwork and Leadership Skills in a practical way.

You all are requested to encourage our students for this noble cause by participating in this Mega Blood Donation Drive in large numbers.

Interested donors are requested to fill out the below google form for registration.
